

Driving Directions to Source Therapeutics

Office Location: 1611 116th Ave NE, Bellevue, Washington 98004 Suite 209

Office Phone: 425-462-5114

Dr. Davidson's Cell Phone: 206-790-9723

The office is located two blocks north of Overlake Hospital and directly across the street from Children's Hospital in the CAMPUS OFFICE PARK. There are 4 Buildings in Campus, the office is located in 1611 which the northern most building. The entry is in the middle of the building for all offices.

When you arrive, you will turn left and take the hall past the Monroe Therapeutic Massage counter to our office at Suite 209.

Just come straight to the office and knock on the door.

DIRECTIONS

Get to Hwy 405: The office is located north of Hwy 90 and south of Hwy 520, just east of Hwy 405.

Traveling from the North:

- Take Hwy 405 South to Exit 13 for NE 8th St..
- Take NE 8th St EAST and cross over Hwy 405.
- Get in the LEFT lane as you will turn left at the first stoplight (116th Ave NE). You will see a Whole Foods Market on the northeast corner.
- Proceed through three stoplights on 116th, all quite close together. After the third light (NE 12th St) you will see Seattle Children's Hospital on your right. We are located across the street. The entrance to Campus Office Park is well marked but hidden by trees. It is the next driveway after "Lotus Park". The office is in the northern most building in the 4 building campus.

Traveling from the South:

- Take Hwy 405 North to Exit 13 for NE 4th St and NE 8th St..
- Take the NE 4th St part of the exit (you cannot turn onto 116th AVE heading north from the NE 8th St part.
- Turn right at the light and then left at the next light (116th Ave NE). At the first light you will see a Whole Foods Market on your right.
- Proceed through three more stoplights on 116th, all quite close together. After the third light (NE 12th St) you will see Seattle Children's Hospital on your right. We are located across the street. The entrance to Campus Office Park is well marked but hidden by trees. It is the next driveway after "Lotus Park". The office is in the northern most building in the 4 building campus.
